Judge Aram M. Ohanian presents the Annual Report of the Perrysburg Municipal Court. This report contains statistical information required by law to be reported to the Ohio Supreme Court, Perrysburg City Council, and the Wood County Board of Commissioners. We want to acknowledge and thank Perrysburg City Council and the Board for their support in providing the funds necessary to serve the public in 2023.

2023 was an eventful year. In January, the Court received a visit from State Treasurer Robert Sprague to discuss issues from across the State that impact our community. The Court held its first Valentine's Day Wedding event, officiating over the weddings of area couples who wanted to be married on this special day. The Traveling Court took the Municipal Court to Lake Township to continue our outreach to the various communities we serve. In April, members of the Court took part in the cleanup of Orleans Park in Perrysburg, collecting 165 lbs. of litter from the park and riverfront areas. Other events of the year included hosting the Perrysburg Mock Trial teams at both the High School and Junior High levels. The Court's staff members continued their commitment to outreach throughout the year at different community events.

The Court undertook various measures to continue our commitment to providing services to our clients through use of technology, updating the courtroom experience, adding better communications technology and the installation of three full size monitors to facilitate communication with remote clients via Zoom, TEAMS, and other remote communications platforms, and for clearer presentation of evidence in hearings. In 2023, we said goodbye to Donna Glanville on her well-deserved retirement. As we transition into 2024, we brought in several new employees who will continue to allow us to modernize our operations while promoting the service to the community that is a key component of our mission.

As we look forward into 2024, our mission has not changed. We will continue to provide fair, efficient, and responsible service to our community. Our commitment to service while being mindful of the important role, we play in those who use our Court is paramount. In 2023, the Court continued to expand the role of our probation department in providing service to our clients. The Perrysburg Municipal Court, in cooperation with the various law departments we work with, continued to utilize, and expand the use of our own Theft Diversion program for qualified offenders. We have also implemented the use of online programs for both probationers and those in our diversion programs to promote rehabilitation in areas that we did not have the resources or expertise to provide education previously. These programs are tailored to provide services that better fit the needs and goals of our constituents. Our successes in these programs have paid dividends, promoting our goal of reducing recidivism and allowing for future success for those who qualify, as we look forward to continuing to modify and improve the programs as needs change in the future.

The Court recognizes that its achievements are only possible due to the dedication and professionalism of its staff and the support of the citizens of this district. As we face new challenges in 2024, we are well positioned to handle these challenges with flexibility and efficiency. Our goal is to be proactive and adaptive, and we will continue to be active contributors to our community through outreach, education, and community service.

Respectfully Submitted,

Hon. Aram Matthew Ohanian
